It will have responsibility for agreeing the appropriate salary level for the Executive Headteacher during the collaboration for the time of the secondment in line with the schools Pay Policy. It will determine the Executive Headteacher salary range (IPR) and confirm the purpose, dates and reason for the appointment in writing to the Executive Headteacher. It will also set out the dates on which the appointment may be reviewed on an interim basis and the contract will include a clause for the early termination of the contract should that be decided. The post will not be subject to salary safeguarding arrangements as set out in the School Teachers Pay and Conditions Document (STPCD).
- 5.2 Each school will make arrangements in conjunction with their School Office Manager for the calculation and transfer of the proportionate employment costs of the Executive Headteacher. The cost of the Executive Headteacher will be apportioned 50% to both schools. The costs and any savings from the collaboration will be managed within existing school budgets.
- 5.3 In conjunction with the governing bodies of the partner schools the JCC will also set out the consequent "acting up" arrangements for other leadership, teaching and support staff roles as appropriate. All such arrangements will be made in line with the school Pay, Appraisal Policy, the STPCD, the conditions of service for Support staff and advice from the Local Authority. All contracts will be temporary and contain termination clauses for the early termination of the Agreement.

 - The aims and purposes of the collaboration are not being met
 - Monitoring and evaluation evidence from either school indicating that the collaboration is not of benefit to the pupils
 - Substantial evidence-based concerns from staff, parents or governors judged by the Executive Headteacher and Chairs of the Governing Bodies to be significant enough to warrant a review
 - Long term sickness of Executive Headteacher or other significant absences or turnover of staff in either school which may impact on the effectiveness of the agreement
 - Resignation or dismissal of the Executive Headteacher

This list is not exhaustive but gives examples of occurrences which may lead the JCC to consider whether dissolution is appropriate.

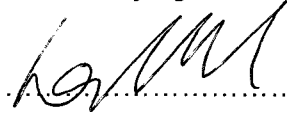

- 6.3 On the dissolution of the collaboration the Executive Headteacher will return to previous substantive post at original school. Where other temporary contractual arrangements have been put in place for other staff as a result of the Agreement they will also return to their substantive roles and salary safeguarding will not apply in any case.

- 6.4 Should the collaboration dissolve, a review will be undertaken by governors of the two schools to ensure that staffing and management structures match the future needs of each institution.
- 6.5 In the case of the collaboration being dissolved, any outstanding monies or credits owing will be reconciled between the schools and signed off by the JCC.
